

Driving Solutions for Cleaner Communities

Drive Clean Taxi – Voucher Program

Drive Clean Taxi (formally the *Green Taxi Voucher Program*) provides attractive incentives for Chicago's taxi, livery and other public passenger vehicle operators regulated by the Business Affairs and Consumer Protection to transition into **cleaner, more efficient** vehicles.

Applicants can apply the incentives toward a **Compressed Natural Gas (CNG) vehicle conversion** or toward the **incremental cost of a new CNG or battery electric vehicle**.

Program Details

- ⇒ **\$1,275,000** available for Clean Fuel Taxis.
- ⇒ Voucher provides up to **\$10,000** for a CNG vehicle conversion or toward the incremental cost of a new CNG or battery electric vehicle.

How do I apply?

- ⇒ Select an **eligible vehicle** and work with an **approved vendor** at www.drivecleanchicago.com.
- ⇒ Approved vendor to submit complete **Voucher Request Application Form** to the **Voucher Processing Center (VPC)** at info@drivecleanchicago.com.
 - ⇒ Additional required documentation includes; Awardee Agreement, Terms & Conditions, proof of vehicle purchase, and vehicle information (Make, Model and VIN).
- ⇒ Once reviewed by VPC, the application is sent to **BACP** to review for **good standing**.
- ⇒ Once approved by VPC and BACP, the voucher is **submitted for redemption** and **reimbursement**.
